NMAJH EDUCATES

EDUCATORS

NMAJH hosted its third annual National Educators Institute (NEI) for 25 educators from nine states.

Museum staff also conducted two traveling NEI seminars in Detroit and Boston, attended by 85 teachers from 30 schools, and other Teacher Professional Development programs.

“We love the Museum, which is why we bring kids all the way from Richmond, Virginia, to visit.”

—TEACHER IN RICHMOND, VIRGINIA

100

programs

The Museum presented 100 programs, including lectures, film screenings, family days, Young Friends events, sensory-friendly activities, and more.

The Museum received **6,522 GIFTS** from more than 5,000 individuals, families, foundations, and so on. **585 GIFTS** were from first-time donors.

We served a total of

13,178 group visitors

in FY18, exceeding last year's total. This number includes 10,742 students and 2,436 adults.

“I am a new member at NMAJH... My partner is of Jewish background... I became a member of NMAJH because over the last year, I have watched the Museum stand up against bigotry. I believe the best way to change hearts and minds is to preserve American history while encouraging self-reflection and honesty. Thank you for the work you do. Thank you for standing up.”
